LUNCH & GIVE

Join us for some good, old fashioned
Valentine's Day crafting as we make oodles
of valentines for the residents of the
Waverly Care Center!

Our awesome hosts from Wolfe, Snowden, Hurd, Ahl, Sitzmann,
Tannehill & Hahn, LLP, are providing all types of crafting media to
create as many valentines as you'd like, but all those attending
are also invited to also bring along any paper, scissors, stickers,
and more to share with the group.
